

Unsecured Lines of Credit. Qualify for up to \$250,000 in *less than 24 hours.*

700+Score Pre-qualifier

Specializing in Startups means that when our "LENDERS" say yes when Your "BANK" says no.

With strategic funding plans we will help you obtain the right funding that's right for you. You can qualify for Unsecured Loans, Lines of Credit, and Revolving Lines. *No business plan required to apply!*

2) Unsecured Personal 5-7 year term loans up to \$200k

Loans up to \$100,000, terms up to 7 years

No Collateral Required, unsecured loans deposited into your bank account

Need a 680 fico score & last 2 pay stubs or last 2 yrs personal tax returns to qualify

Typically need 50k in personal income minimum

Rates from 7 to 25% OAC

If you are a new business that is pre revenue, or a young business unable to qualify for a traditional business line of credit this is a great option that is contingent on your personal credit and verifiable income. The loan is cash deposited into your bank account making it perfect for consolidating previous business debts, paying for employees, marketing, education services, products, equipment, and anything else you can pay for in cash/debit.

3) 0% Business & Personal Credit Lines/Cards up to \$150k

0% business & personal credit lines/cards, 0% for 9, 12, 15 & 18 months

Will be 4 to 6 accounts that cumulatively can add up to \$150K+ on approved credit

Funding in the name of the business, with cash accessibility

Affordable monthly payments, typically 2% of the balance.

For example; \$10k = \$200/mth Need a 680 fico score & a \$5,000 credit card limit to qualify

This funding type is most commonly referred to as a 0% interest credit card (for 12-18 months) making it perfect to consolidate/transfer high interest rate debts onto and giving you the opportunity to pay down debts interest free. It's also perfect for paying for marketing, education services, products, equipment, and anything else you can pay for on a credit card.
